

TENNESSEE GENERAL ASSEMBLY
FISCAL REVIEW COMMITTEE

FISCAL MEMORANDUM

SB 1111 - HB 1380

April 10, 2023

SUMMARY OF BILL AS AMENDED (006505): Creates the *Mature Minor Doctrine Clarification Act*. Prohibits healthcare providers from providing a vaccination to a minor without receiving written informed consent from the minor's parent or legal guardian. Prohibits an employee or agent of this state from providing, requesting, or facilitating the vaccination of a minor child who is in the custody of the state, except: (1) upon written request to, and court order from, the appropriate court; (2) if given prior written consent by a parent or legal guardian of the minor; or (3) if the parental rights of each of the minor's parents or legal guardians have been terminated by a court.

Establishes that a violation of the Act is unlawful practice and is grounds for the offending healthcare provider's licensing authority to suspend, revoke, or refuse to renew the healthcare provider's license or take other disciplinary action allowed by law. Requires a licensing authority to investigate a potential violation and take appropriate disciplinary action. Authorizes the Department of Health (DOH) to promulgate rules to effectuate the Act.

FISCAL IMPACT OF BILL AS AMENDED:

NOT SIGNIFICANT

Assumption for the bill as amended:

- The DOH and the health-related boards can promulgate rules and comply with the proposed legislation within existing personnel and resources; therefore, any fiscal impact is estimated to be not significant.
